Muhammad Ali

BSSE STUDENT · FRONTEND DEVELOPER · GUJRAT,
PAKISTAN

Motivated Software Engineering student at the University of Gujrat with a strong foundation in frontend development and UI/UX design. Experienced in building responsive, user-centric web applications using modern JavaScript technologies. Certified in Google AI Essentials and passionate about leveraging AI tools to accelerate development workflows. First-position winner at the SRE Competition 2025.

EDUCATION

- BSSE – Bachelor of Software Engineering** Sep 2023 – Present
University of Gujrat
CGPA: 3.33 · Currently enrolled
- Intermediate – Pre-Medical** Sep 2020 – May 2022
ASPIRE Group of Colleges, Gujrat
- Matriculation** May 2018 – Mar 2020
Workers Welfare Higher Secondary School, Gujrat

PROJECTS

Tikka Mahal

- HTML
- CSS
- JAVASCRIPT

Static website for a restaurant business — clean menu display, fully responsive layout, and smooth navigation built using vanilla web technologies.

Pizza Website

- HTML
- CSS
- JAVASCRIPT
- BOOTSTRAP

Dynamic restaurant website with a rich, interactive ordering experience, leveraging Bootstrap components for a polished cross-device presentation.

Pulse-Health Gujrat

- HTML
- CSS
- JAVASCRIPT
- MAPBOX API

Online appointment booking system for healthcare providers, featuring integrated Mapbox maps to help patients locate clinics and specialists nearby.

LifeFlow

- HTML
- CSS
- JAVASCRIPT
- REST API

Online blood request and donation platform connecting donors with patients in need, with live API integration for real-time data updates.

SplitMate

- REACT

Expense-splitting app for groups that tracks shared costs, balances owed between members, and settles up with a clean, intuitive interface.

ACHIEVEMENTS & ACTIVITIES

- ★ **1st Position – SRE Competition 2025**
Secured first place as a winning team member in the SRE (Software Requirements Engineering) Competition organised by the Department of Software Engineering, University of Gujrat.
- ★ **Tech Competition Participant**
Actively participated in the Tech Competition organised by the Software Engineering Department, University of Gujrat, showcasing applied development skills.
- ★ **Google AI Essentials – Coursera**
Completed a five-course specialisation covering AI fundamentals, productivity tools, responsible AI practices, and prompt engineering (Jun 2026).
